## To Ask for P.F. Assistance In 23 Municipal Townships

All councillors were present at the regularly monthly meeting of the Municipal District of Mountain View No. 49, held in Didsbury on Monday, August 17th, when a communication from the P.F.A. asked that applications be made for assistance necessary this year. In order to qualify for benefits under the Act the average yield of wheat must drop below eight bushels per acre in any one township, and with this in view, the secretary was instructed to make application for assistance in 23 townships in the Municipal District of Mountain View.

Fred Metz reported the sale of two horses at a pound sale. Two minor accidents on grader crews were reported to the Workmen's Compensation Board.

Council approved of surveys made by R. McCutcheon, Alberta Land Surveyor, in Twp. 33, Rge. 5. The secretary was instructed to have three additional road diversions surveyed.

A communication from the Department of Public Works advised that two additional road grants had been authorized, one for \$1250 west of Elkton, and one for \$1250 south of the Township line, south of Township 32, Range 4.

A report from the Board of In-

dustrial Relations was read and showed that all records were satisfactory.

Council completed arrangements for the purchase of five acres of land in the S.W. of 36-32-5-5, for the purpose of a nuisance ground for the Sundre area.

Arrangements were made to place public liability insurance as a general coverage on all accidents which might occur within the municipality and for which the municipal district may be liable.

The necessary by-law was passed providing for the sale of parcel D, plan 2791 F.U. at Westward Ho, containing two acres.

Council approved the granting of a license for a repair shop to E. Turple, near Olds.

A report of road work showed that the gravel program had been completed in Division 1 and was proceeding in Divisions 3 and 5. Consideration was given to the making of a preliminary survey with regards to establishing a T. B. free area for cattle within the Municipality. If such a step were taken two thirds of the cattle owners must be in favor of the plan before such an area could be established.

Accounts and pay sheets completed the business of the meeting.

## DON AUSENHUS SUFFERS WITH FRACTURED SKULL

Don Ausenhus, son of Mr. and Mrs. O.H. Ausenhus, met with a serious accident on Saturday, August 13, about 9 a.m., when he was struck on the side of the head by a lever on the swather while it was being adjusted. He was immediately rushed to Calgary by ambulance and it was found that his skull was fractured, necessitating an operation which was performed Saturday evening.

Just as we go to press Mr. Ausenhus informed the Pioneer that Don had come through the operation satisfactorily and that his condition was reported by the doctors as favorable.

## Form Central Alta. Picnic Association

In view of the increased popularity of the annual picnic held at the Raven Fish Hatchery by the Didsbury, Olds, Innisfail and Red Deer Fish and Game Associations, it was decided at a meeting held in Innisfail on Thursday evening, August 11, to form a permanent body to handle all picnic details in future.

The new organization will be known as the Central Alberta Fish and Game Picnic Association and will comprise a president, secretary and two directors from each game club sponsoring the annual event.

A report submitted to the meeting, while not complete, showed that this year's picnic was a financial as well as an entertaining success and it is expected that net proceeds will amount to around \$150. It was decided to spend a portion of this sum next year to further improve the grounds.

A new road into the Raven Fish Hatchery was discussed and representation will be made to the Provincial Game Branch and to the various M.L.A.'s in the central part of Alberta in an endeavor to have a new road graded and gravelled just north of the present road, so that a direct thoroughfare will be available into the grounds, thus eliminating the present winding road which is dangerous and unsuitable for such a lovely picnic grounds.

## KEN MCCOY HAS 127 MINK

Anyone interested in live mink (not mink coats) will find the pens at the McCoy farm just east of town a hive of activity at the present time, and a sight well worth seeing. Ken McCoy now has 127 mink, all in individual pens, and two strains are prominent. About half the mink are the dark variety, and the others are of the new silver grey strain which Ken is developing.

The mink are now being fed once a day, in the evening, and at this time of day the small animals are very active.

Mr. McCoy says that he has had real good luck in the raising of the mink and when pelting time rolls around in December he hopes to realize a profit on his venture.

## Town Tax Rate Reduced 8 Mills

At the regular meeting of the council of the Town of Didsbury, held Monday night, E. B. Nowers, assessor, was present and heard nine claims against assessments at a court of revision. All claims were sustained but those put in by two elevator companies, where some minor consideration was given.

The mill rate for 1949 was set at 41 mills on the dollar, a reduction of eight mills from the 1948 rate of 52. The municipal rate was set at 18 1/2, hospital 5% and school at 20 mills.

The reduction in mill rate this year is largely attributed to the increase in the assessment from just over \$600,000 in 1948 to over \$1,055,000 in 1949.

## Calgary Ozarks to Play Here Saturday

The second game of the week saw the Didsbury Flyers playing in Calgary against the Victoria Ozarks. This game was interesting all the way with the Flyers in the lead until the final inning when a Calgary rally netted the home club the winning run. Krebs, Folkman and Morgan were the outstanding performers for the Flyers, while Setzer, Grandahl and Greenlaw were the Ozark home run hitters.

Didsbury — Morgan, Folkman, Schneidmiller, Goetten, Wood, DuPont, Price, Burke, Krebs, Blaine, Malor.

Ozarks — Setzer, Rust, Star, Grandahl, Williams, Ross, McMahon, Brown, Greenlaw.

Score by Innings:  
Didsbury — 321, 310, 000—40  
Calgary — 130, 001, 103—11

The Ozarks will be in Didsbury Saturday evening, August 20th, to play the Flyers. The game will commence at 6:15 and a good exhibition of softball is expected. Turn out and support the girls.

## Italian Children Aided by U.N.

A young street musician plays a cello on a Naples piazza, while his crippled "partner" collects the money. Signs such as this one are common in postwar Italy, where lack of proper food and shelter is turning many youngsters into professional beggars. To counteract this situation, the United Nations International Children's Emergency Fund (UNICEF) is now providing meals, clothing and medicine to almost 1,000,000 children and expectant mothers. UNICEF is also inoculating millions of Italians against tuberculosis.

## Redeemer Ladies Aid Meets Aug. 12

The regular meeting of the Ladies' Aid of Redeemer Lutheran Church was held on Thursday, August 12, in the church basement. Pastor Fox began a new series of talks, entitled: "Women of the Bible," and for his first subject he chose "Eve, the Mother of the Human Race." Many interesting questions were discussed.

During the business meeting it was decided to postpone the sale and tea which the Aid had discussed previously, since everyone was again busy in the harvest fields. Pastor Fox reported that he had sent 215 pounds of used clothing for European relief. Mrs. Carl Meyer and Mrs. George Meyer were elected as Sick Committee for the month. The Aid also discussed the possibility of purchasing more tables for the church basement.

A delicious luncheon brought the meeting to a close.

The next meeting will be held on Thursday, September 8, at 2:00 p.m. in the church basement.

## Melvin Institute To Have Birthday

The August meeting of the Melvin W.I. was held last Wednesday at the home of Mrs. Emil Krebs. Mrs. L. Wollen gave a report on social services and Mrs. G. Olsen made a report on the Edmonton conference, to which she was a delegate in May.

The purchasing of a stretcher for the Didsbury Municipal hospital, as the constituency objective, was fully discussed and Melvin W.I. was very much in favor of raising an extra allotment to do this if the seven other W.I.s were agreeable.

A year ago, September 2nd, the Melvin W.I. was organized at the home of Mrs. G. Olsen and she has kindly invited all members to spend the afternoon there on the anniversary date as a first birthday celebration. Just bring your fancy work. This gathering will not alter the regular September meeting date.

In the absence of Mrs. L. Fischer, Mrs. H. Fischer took the short topic reading with "The Egg's Lament."

For the November meeting members are to write a thousand word essay on "How I Spend a Day." The meeting was brought to a close with the singing of the National Anthem and lunch was served by the hostess.

Attention, everyone! Anderson's orchestra of Calgary will play for another dance at Melvin hall on Wednesday, August 21.

The Allen Krebs are installing water and sewerage in their house and we hope it won't be long until the power is here.

## Westcott W.I. Has Perfect Attendance at August Meet.

The Westcott W.I. met at the home of Mrs. W. Owens on Tuesday, August 9th, with a perfect attendance of 24 members, ten visitors and at least 12 kiddies.

Roll call was answered by naming an "Innocent" or new handicraft" with a brief description.

It was decided to make a small donation towards new cups for the community skating rink at Westcott.

All members were invited to attend a social afternoon at the home of Mrs. McBaine Sr. on Thursday, August 18, at the invitation of the Cremona W.I.

At the Conference held recently in Didsbury Mrs. Howes of Millet said groups did not sing enough and suggested that all Women's Institutes try to form a choir in their own group. Mrs. G. Ford was asked to take charge of this and to secure the necessary music.

As so many of the members were away, holidaying when the last meeting was held, Mrs. S. Owens re-read a letter from the corresponding W.I. in Norham, England. A very interesting report of the First Women's Week at Olds was given by Mrs. H. Wilsheuser.

The "famous artist" was given by Mrs. W. Owens and she chose the artist "Glassing" who paints landscapes and horses.

Mrs. Carl Ekstrand had a paper on handicrafts and her subject was "shellcraft." She also had a trunk full of handicraft work which she secured from Alberta Handicraft Society of Southern Alberta. There is a similar trunk in Northern Alberta. This trunk contained trays of different kinds of handicrafts such as shellcraft, leathercraft, pebble-point and oil paintings which were interesting to see.

Mrs. R. Goetten, Mrs. W. Felker and Mrs. E. Pettin were asked to be the judges for the novelty contest. First prize was won by Mrs. Lloyd Ray and second by Mrs. Gordon Ford.

A splendid report of the Constituency Conference held in Didsbury on August 14 was given by Mrs. Lloyd Vogel and with the exception of Mrs. E. Pettin.

## Last Opportunity For Rural Power

As a crew from Calgary Power Company is now busy surveying for the power project west of town the directors of West Didsbury Rural Electrification Association wish to point out that any farmer who wishes to be served by electric power and who has not yet signed a contract should do so without further delay. All contracts are based on a three-quarter mile limit after which additional mileage must be paid on a footage basis. This is definitely the last opportunity and no new contracts will be accepted after the survey crew leaves the district.

It is further agreed and understood by contract signers that any brush along the "right of way" must be cut out so that the line can be surveyed and built without interference to workmen or their machines. This can be easily done by farmers organizing into gangs and working together. This clearing job is most important and must be done now before harvest, as the two large trucks that dig holes and set poles will be on the job very soon and if the right of way is not ready they will move on to some other line that is clear.

## Cutting of Coarse Grains Commences

Cutting of coarse grains in the Didsbury district is now beginning quite general although later sown crops will not be ready for several days. Frost on Saturday night may have done some damage, particularly west of the Dog Pound, but no official report has been received. Potato tops were blackened in many gardens and other tender vegetables were damaged.

Grain crops now being cut appear to have well-filled kernels and a good average yield should result. The first combine, however, will not be known until actual threshing commences.

It is now expected that there will be ample feed in the district to tide farmers over the winter.

tion of a few names she missed, everything was given in perfect order. This was Mrs. Vogel's first visit to a W.I. Conference and being one of the newest members, much credit is due her for a job well done.

As this was a lengthy meeting, Mrs. J. Robertson held over her talk on the conference until next meeting. The bit of fun was also held over.

The next meeting will be held on Thursday, September 1st at the home of Mrs. B. McFarlane when roll call will be a "laundry or washing list." There will also be an antique display.

## Survey Crews Map Out Power Lines

The Calgary Power Company has two crews in the district surveying the rural electrification lines both east and west of Didsbury, and road allowances on which the lines will follow will be dotted with red top stakes to mark where the poles will be set up.

The two Didsbury power lines will be served from one sub station located two miles north on the township line, and it is expected that actual work on the lines will commence as soon as the surveys have been completed.

A number of electricians have been wiring farm buildings in the Didsbury area this summer and it is expected that most of the co-op shareholders will have their buildings wired before the power lines are completed.

## NEW EQUIPMENT AT THE 'DIDSBURY PIONEER' OFFICE

Last week end The Didsbury Pioneer took delivery of a new automatic press known as a "Heidelberg" and it is hoped this new equipment will soon be in operation.

The Heidelberg is a fully automatic printing press which feeds and delivers sheets of paper without the aid of a pressman.

The Didsbury Pioneer printing plant is now one of the most modern weekly newspaper shops in Alberta, fully equipped to handle almost anything in printing.

## Cremona Couple Takes To Air

Mr. and Mrs. Willard Franklin of Cremona had the pleasure last week of flying in a Stinson plane when they went to Morrin to attend a family reunion. They were accompanied by Mr. and Mrs. J. Shearer and Gavin of Cardston. Mrs. Franklin's and Mrs. Shearer's sister and family arrived from Oregon, coming by plane for the reunion and the parents, Mr. and Mrs. H. Casebeer, were very happy to have their five daughters and son together, along with their families.

After a lovely dinner the afternoon was spent in the "blue yonder." Mike Chaites, a Veteran pilot was very capable of handling the plane in the air and landing and taking off from very rough bays and summer-fallow fields. The plane was a Stinson and had only room for three adults besides the pilot.

Kay and Willard Franklin were the first to go up and they really enjoyed it. They said the roads looked like straight pins, the animals were hardly distinguishable and hills were unrecognizable as they flew over the turtle-back hills at Rowley. From the air the crops showed very plainly the need of rain.

The pilot took every precaution in going up and landing. He only went up 400 feet and travelled at 115 miles per hour, but it seemed as though the plane wasn't even moving. Once in awhile the plane would drop a few feet or suddenly go up, but Mr. Chaites said this was due to the air currents, as it was very hot and windy.

## 35 Walther Leaguers Visit Calgary

A caravan of seven cars, carrying 35 Walther Leaguers, travelled to Calgary last Tuesday, August 9. The group left Didsbury at 8:30 a.m. and arrived at their first stopping place a few minutes before 10:00 a.m. This was the P. Burns packing plant where the group saw the various steps in the killing and processing of meat. From here they drove to the fish ponds at the Calgary Brewing Co. Most of the boys wished they had brought their fishing lines along. Since it was close to dinner time the party went to St. George's Island where a picnic lunch was enjoyed. After looking at various displays and animals at the Zoo, the group again got into the cars and drove to the Union Dairy. Here it was learned that Didsbury and district is one of the big milk contributors. Through the courtesy of the management each person in

the party received either an ice cream or a popsicle. Leaving the dairy and walking, the group, at odd times stopping traffic, went to the Calgary Herald. A complete tour of the Herald office and plant was made, and for a time it was thought that some would never leave the huge printing presses. Again walking through downtown Calgary, the group visited Radio Station CFCN where Mr. Love gave an interesting talk on radio. Leaving the studio, the group was instructed to meet within one half hour at the cars and then all would proceed to Shoultice bridge where a weiner roast would be held. Walking around town and through the various establishments made the group hungry and the food vanished as fast as it was unpacked.

The final stop on the tour was the Calgary Crematorium, north of the Shoultice bridge. Mr. Kent showed the group through the Crematorium and then gave an interesting talk on the method of cre-

mation. After leaving the Crematorium some of the Leaguers returned to Didsbury while others went to Mewata for a quick swim, and still others drove to Bowness for a canoe ride.

## WESTERDALE NOTES

The August meeting of the Westerdale Willing Workers was held at the home of Mrs. A. Buckley last Wednesday afternoon with 14 members present. Roll call was answered with "our favorite flower, and why?" Due to the absence of the secretary at the July meeting the minutes of the past two meetings were read. A motion was passed that the society attempt to hold a Bingo and lawn dance at the Buckley home on August 31, but owing to the lateness of the summer and the chilly nights it has since been decided to postpone the affair until early next summer.

The curtain material for the hall stage was displayed and Mrs. W. Herbert was appointed to investigate various brackets necessary for hanging of curtains. A vote of thanks was extended to Mrs. H. Jackson for her offer of supply of window rings for curtains. Thanks was received from Mrs. D. Herbert for the silver cup sent to Donna by the society.

A flower contest was won by Mrs. F. Herbert, while Mrs. J. P. Schrader won the tea money prize. The next meeting will be held at the home of Mrs. T. Bolton on September 14th.

The news item appearing last week about Mr. and Mrs. F. Herbert's motor trip on the Alaska highway should have read that they accompanied Mr. and Mrs. Ed Phillips of Olds on the trip in his new Monarch car.

Patsy and Norma Buckley are visiting this week at the home of their aunt and uncle, Mr. and Mrs. J. Buckley of Springfield.

Mr. and Mrs. S. A. Kenbrey and daughter Joyce of Calgary were Sunday visitors at the home of Mr. and Mrs. L. Jones.

Mr. and Mrs. W. Herbert and Mr. and Mrs. O. Rundle and children motored to Sylvan Lake on Sunday and took in the double-header softball game between the Olds Miller Combines and Sylvan Lake Massey Harris.

Mr. and Mrs. O. Rundle and children of Calgary are spending their vacation at the home of Mr. and Mrs. W. Herbert.

Mr. and Mrs. W. Wigley and Dick Phil and Mrs. and Mrs. F. J. Jackson and Phyllis motored to Rocky Mountain House on Sunday, going by way of Sundre and Clearwater and returning via Sylvan Lake and Red Deer.

Gravelling commenced Monday morning on the road going east from the church, and will continue east for two miles and then north for two miles to Homer Rowell's corner.

Frost nipped some gardens in the district early Sunday morning.

## Didsbury Flyers In Close Game

In the postponed playoff final of the Lions Club Jamboree the Olds Combines and the Didsbury Flyers played each other on Wednesday afternoon. A large crowd gathered under ideal weather conditions to witness one of the most interesting ladies games of the season.

Miller's Combines took advantage of some loose Didsbury playing and pushed six runs across the plate in the sixth frame, but were held scoreless to the remainder of the game. Fighting gamely to overcome the Olds lead, the Flyers tallied four runs, and with runners in scoring position in the ninth inning the crowd was in a frenzy of excitement. However, the Flyers were unable to score the needed runs and went down by a score of 6-5.

Didsbury—Morgan, Schneidmiller, Folkman, Goetjen, Wood, Fox, Krieger, Price, Irvell, Pont, Kirke, Olds—Herbert, Marum, Miller, Dunkley, Carter, Olson, Johnson, Knecht, Hill.

Score by innings:  
Didsbury ..... 000, 001, 013-5  
Olds ..... 006, 000, 000-6

## A CHRYSLER-METHOD REMANUFACTURED ENGINE

Get new engine performance in just one day by installing a Chrysler-Method Remanufactured engine in your Chrysler-built car or truck.

Chrysler-Method Remanufactured engines are very different from the so-called "re-built" engines. They are precision built to rigid Chrysler Factory standards; all engines have NEW crankshafts; all

other parts which fail to meet Chrysler engineering specifications are replaced with new factory-engineered parts; all engines, when remanufactured, must pass the same dynamometer tests as those applied to new Chrysler-built engines.

Get in touch with us to-day and find out all about these different remanufactured engines.

**WORLD CLIENTELLE FOR  
LAST COTTAGE WEAVER**

One man in a quiet East England town is earning Britain enough dollars to buy in the dollar market sufficient bacon to keep 200,000 people in rations for one week. He is A.J. Jarvis last of a line of Lavenham weavers who once made the town the most famous centre in the world for fine handwoven cloth. Today his cottage loom is supplying Savile Row, London, and exclusive tailoring centres overseas each year with 5,000 yards of the finest wool cloth: suit lengths, tweeds, scarves and so on. Due to the perfection of his cloths, Mr. Jarvis' clientele is spread all over the world, from the Middle East to America to the Far East. He pursues his craft in a simple domestic atmosphere; in a kitchen adjacent to his workshop his wife carries on the household duties while he weaves secret patterns from 12 to 14 hours daily.

**CHEAPER CLOTHING ?**

When it comes to buying fall clothing, you should be able to save from 10 to 15 per cent off last year's clothing bill for the family—if you shop around, says Paul Deacon in The Financial Post. That's how it looks as retail buyers near the end of their annual fall buying season. And shopping around is what those buyers have been doing for the most part, so the manufacturers are saying.

Not that they're unhappy about volume. They say it will be about the same as last year. There's no sign of slackening off in demand. Just that the retail buyers are treading cautiously, in the case of some large buyers holding off on the size of their forward purchases.

Whatever your plans, if they involve money, drop in and talk them over with your bank manager. There are so many ways in which he can help

## THE ROYAL BANK OF CANADA

C. F. NICHOLL, manager, Didsbury Branch

**CANADA NOW LEADS  
THE INDUSTRY**

Three out of five newspaper pages throughout the world are made of Canadian paper. The roar of giant paper making machines turning out 25-foot-wide newspapers as fast as 20 miles an hour, 24 hours every day, gives dynamic color to the industry. Huge machines like this in Canada's 36 mills make Canadian newspaper production six times greater than that of any other country. There are in addition, another 80 mills, small and large, which produce pulp and paper, thus helping to create Canada's largest single industry.

The pulp and paper industry directly and indirectly affects the livelihood of every single Canadian. The industry output last year rose to more than \$800,000,000, created by Canada's largest family of workers. It is the largest buyer of goods and services in the country and the consumer of about 50 per cent of all the hydro electric power generated for industry. Moreover, its product gives Canada an export trade exceeding \$600,000,000 a year, which at the moment brings to the country close to 40 per cent of all its export American dollars.

Newsprint is only one of the ever-expanding range of products of the industry. As a producer of pulp alone, Canada is the second largest manufacturer and second greatest exporter, furnishing about one third of the world's exports. There is also the wide field of fine papers, of books, craft, tissue and other specialty papers for a thousand and one purposes. The industry also has a large production of paper boards of all grades and of building papers and building boards.

**NORTH SEA OVERFISHED**

Six or seven nations are "over-fishing" the North Sea to such an extent that a considerable fall in catches of better quality fish is likely to be shown when Britain's Ministry of Agriculture and Fisheries publishes its annual sea fisheries report. So far as Britain is concerned the position should improve as a result of work by the Ministry's research laboratory at Lowestoft, but the director foresees the necessity of some 15 per cent reduction of fishing by all concerned for three or four years.

**CLASSIFIED ADS BRING RESULTS**

## WEDDINGS

EARLE-WOLFE

A lovely but quiet wedding was solemnized recently in the United Church at Elk Point when marriage vows were exchanged between Marion Oxendylen, second daughter of Mr. and Mrs. F.P. Wolfe of Elk Point, and Fulton M. (Mickey) Earle, younger son of Mr. and Mrs. H.M. Earle of Cremona. Rev. Dr. Hart of Edmonton performed the ceremony.

The bride, who was given in marriage by her father, was gown in ivory satin slightly en train, with a family heirloom lace and net veil. Her only ornament was the groom's gift of a double strand of pearls. The bridal bouquet was a cascade of red and white roses. Attending the bride was her sister, Miss Dorothy Wolfe, who was gown in pale green satin and net, ornamented by a cameo pendant. Her bouquet was of yellow carnations.

The groom's attendant was Mr. J.W. Wiebe of Cremona, and Mr. Pat Johnson, cousin of the bride, ushered the guests.

During the singing of the register Mr. W.H. Rowley sang "O Perfect Love."

Following the ceremony places for fifteen guests were laid at a luncheon at the home of the bride's parents. The toast to the bride was given by her uncle, Mr. Johnson of Lindbergh. A toast to the groom's parents, in their absence, was given by Dr. Hart.

Later in the day the happy couple left on a short motor trip through the mountains before taking up residence on their farm near Cremona.

Guests from outside points who attended the wedding were Mr. and Mrs. Thos. Johnson, Mr. Pat Johnson, Mr. Fred Johnson and the Misses Sue and Marian Johnson, all of Lindbergh; Miss Allison Earle and Mr. J.W. Wiebe of Cremona; Miss Dorothy Wolfe of Edmonton, and Mr. W.H. Rowley of Acme.

**DEPRESSION COMING?**

The strength of the psychological factor in bringing on economic slumps cannot be accurately assessed by economists or psychologists. What we can be sure of is that it is a factor which can restrict necessary economic expansion and which can throw a monkey wrench into the usually smooth-running process of producing, buying and selling.

Finance Minister Douglas Abbott, in his remarks to this year's graduating class at McGill, underlined the danger of becoming narky when considering the possibility of depression and the other dangers which today face our country and our world:

"We are in danger of being ridden by our fears—fear of a depression, fear of another war, fear of Communism and so on. Now these are real enough dangers and I am not by any means advocating an attitude of Pollyanna optimism toward them. But these fears must not be allowed to become main-springs of our action."

"I have no doubt that as you look ahead to your future careers you think of those who graduated in the early 30's and wonder if history will repeat itself. If it does, it will be mainly because of lack of confidence. Depressions are not inevitable. But they become inevitable if enough people believe that they are inevitable. The Marxists recognize this. I do not know if those in command of the Russian Communist party really believe that the western society cannot avoid economic chaos. But they are smart enough to know that their propaganda, if it is successful, will bring about the result they hope for."

Today the depression talk is growing in strength—admittedly not without reason, for there are signs of a recession in the United States, and it is to be expected that the Canadian economy will follow along the same road in the traditional fashion. Yet this recession or levelling off—is not unexpected. It is not reasonable or healthy for the war boom to go on for ever. But this developing situation could be aggravated into an extremely unhealthy one by panicky thinking on the part of the public.

Businessmen particularly have a duty to be sure that their public statements do not inspire panic. This is not to suggest that they should present a falsely optimistic picture, but only that they must take care not to paint an unduly pessimistic one. The remarks of business leaders about economic conditions naturally carry great weight, and for this reason they should in the public interest give at least as careful consideration to their public statements at this time as do any of the political leaders.

## -: DISTRICT NEWS :-

### MOUNTAIN VIEW

There will be a dance, sponsored by the Mountain View Women's Institute, in the Mountain View hall on Friday, August 26th. There will be a door prize and the Sun-slope orchestra will be in attendance.

The M.V.W.I. meeting will be held this Thursday at the home of Mrs. Booker. The roll call is "something interesting about my hobby." All who can be asked to please try and be there. The Institute did not place in the running of the Handicraft due to only one point being given for third prizes. However, they may have better luck next time with a little more effort given.

We are all very sorry to hear about the bad accident which put Don Ausenhus in the hospital with injuries to the head. However, we have reason to believe that he is coming along as well as can be expected after having an operation on his head in a Calgary hospital.

Two more of our neighbors that we know of who are in the Didsbury hospital are Mrs. A.A. Neufeld and Ben Neufeld.

Mrs. G. McCall who has been a patient in the hospital is home again.

Mr. and Mrs. W. Shultz and family and Mr. and Mrs. H. Shultz and family took in the Olds Fair on Saturday. Others noticed at the fair Saturday were Mr. and Mrs. Joe Hunter, Mrs. Birdale, Sam McAllister, Mr. McLean, Mr. and Mrs. Trenholm, Mrs. Brado, Mrs. Stiles, Mrs. J. Bruce and Mrs. Art St. Clair.

Mrs. Laura Bridgeman, a sister of Mrs. C. Hedegaard and Miss Lorraine Wilson, a niece, both of Trail, B.C., are visiting with Mr. and Mrs. C. Hedegaard.

Mr. and Mrs. O. Blitzer and family left last weekend for Saskatchewan to visit relatives. They will be home on Wednesday.

The church service in Mountain View hall on Sunday morning will have a special speaker in the person of Mr. O. Traub, a missionary from Nigeria, West Africa. The service will commence at 11.30 a.m. and will prove very interesting to all who attend. Everyone is welcome.

Mrs. A. Leath and daughter Elaine arrived Friday from Arrowwood and spent a few days with her parents, Mr. and Mrs. Garnet Tighe.

Mr. and Mrs. J. Worrall visited with Mr. and Mrs. Trenholm Sunday evening.

Mr. and Mrs. L. Hunter visited with Joe Hunter Sunday evening. Mr. and Mrs. J. Bruce and Rex Dawson visited with Mr. and Mrs. H. Shultz Saturday evening.

Miss Bernice Elliott of Red Deer visited over the weekend with her brother and sister-in-law, Mr. and Mrs. Barney Elliott.

Bud Tighe returned Friday from Arrowwood where he visited with his sister, Mrs. A. Leath.

Wayne St. Clair spent a few days visiting his grandparents, Mr. and Mrs. W. Bruce.

### RECLAIMING COMBINED STRAW

There will be a shortage of all types of feed for livestock this winter, it is generally anticipated. Straw, then, will be an important commodity.

The straw bunched, says M. E. Dodds, Swift Current Experimental Station, has had a lot of attention as a simple equipment for reclaiming straw from the combine. The attachment varies in size from a small carrier, collecting and dumping straw in bunches up to 75 lbs. to larger models with capacity up to 800 lbs. Smaller ones are attached directly to the combine; the larger ones are trailers or semi-trailers. Choice of equipment may depend on the method of picking up the bunched.

Pickup balers are another means of reclaiming straw from combines. Two or more combine windrows may be brought together with a side delivery rake and then handled with a baler.

### UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows: Westcott, 11 a.m.—Morning Worship followed by Sunday school for all ages.

There will be no service at Westerdale.

Didsbury, 7:45 p.m.—Evening worship with story for young people.

The guest preacher will be Rev. J.A. Boorman, M.A., of Wembley, Alberta. Arthur is a son of Mr. and Mrs. Jack Boorman who resided in Didsbury for some years. He took his high school course here and his early religious training in Knox Church and Sunday school.

### CREMONA NOTES

Approximately forty guests gathered in the United Church basement to honor Mrs. Stanley Schultz (nee Irene Brooks) with a miscellaneous shower on Wednesday, August 18. During the entertainment solos by Miss Lorna Van Haften and Mrs. Norman Eby were enjoyed. Miss Ruth Johnston assisted Mrs. Schultz in unwrapping the numerous gifts and at the close of the gathering a delicious lunch was served by members of the Women's Institute.

Congratulations to Mr. and Mrs. Ed Backstrom on the birth of a son on Tuesday, August 2, and to Mr. and Mrs. J. Lane on the birth of a son on Tuesday, August 9. Rev. and Mrs. Redfield, Rachel and Paul of Acadia Valley renewed acquaintances in Cremona and district on Monday, August 8.

Miss Joyce Burkholder of Victoria, B.C. is enjoying a vacation at her home west of Cremona.

Mrs. Campbell of Calgary is visiting with her sister, Mrs. Sarah Schultz.

Mr. and Mrs. Adam Reiling and Shirley and Mrs. Norman Marshall and Eddie, all of Medicine Hat, visited for a few days last week at the home of Mr. and Mrs. Jim Rattray.

While attending a family reunion at the Fallen Timber on August 14, Nola Waterstreet sat on a beehive and received a number of bee stings. Mrs. Nick Harris had several bee stings and endeavored to be rid of them by jumping into the river. Others attending the reunion were also stung by the bees.

A reunion of the family of Mr. and Mrs. W. Taylor was held at the Fallen Timber west of Cremona on Sunday, August 14. Those attending were Mr. and Mrs. Joe Taylor, Bobbie, Melvin and Calvin, of Didsbury; Mr. and Mrs. Hiram Taylor of Didsbury; Mr. and Mrs. Wm. Dick, Billy and Gene of Fallen Timber, and their eldest daughter, Mrs. Nick Harris and daughters Shirley and Patsey of Victoria, B.C.; Mr. and Mrs. Wayne Stringer, Wesley and Mervin of Elkton; Mrs. C. Waterstreet, Nola and Ralph of Cremona. Mr. Nick Harris, Mr. C. Waterstreet and Miss Marie Waterstreet were unable to attend.

Mr. and Mrs. Ronald McLeod and family of Calgary and Mr. and Mrs. Ross McLeod of Sundre were weekend visitors at the home of Mr. and Mrs. McLeod.

Mr. and Mrs. Lawrence Hewitt of Calgary are spending a short vacation at the home of Mr. and Mrs. M. Hewitt.

Mr. and Mrs. G. Camps, Mrs. Dell Bishop and Mr. R. Bouck were Didsbury visitors on Monday, August 15.

Mr. and Mrs. H. Heddlinger and family and Mr. and Mrs. Dahl and family, all of Calgary, were Sunday visitors with Mr. and Mrs. A. Heddlinger and family.

### NOTES FROM EAST

Mr. and Mrs. Bert Smith and family visited on Sunday with Mr. and Mrs. Alfie Thompson.

Mr. and Mrs. Alvin Baptiste, Mr. and Mrs. Schumaker and George Louis visited Sunday evening at the Thompson home.

Bernadine and Arlene Cook of Calgary are spending a week with Gloria and Joyce Schumaker.

Mr. and Mrs. H. Richardson and family and Mr. and Mrs. Bob Fisher and family are holidaying at Banff.

Mr. and Mrs. Schumaker, Gloria and Joyce, visited with Grandma Bonner in Calgary last Friday and while in the city they attended the wedding of their niece, Miss Dorothy Schneidmiller.

Don't forget the Lions Club dance to be held at the Lone Pine hall on Wednesday, August 17. Come out and have a good time.

The Lone Pine W.I. meeting will be held at the home of Mrs. Bert Pross on Thursday, August 18th, at 2 o'clock. Ladies, don't forget the time and place.

### BURNSIDE NEWS

The newlyweds, Mr. and Mrs. Lynn Jackson, have returned from their wedding trip to Eastern Canada and are residing on their farm in the Acme district.

Things are looking up in our neighborhood. Ivor Weber is painting his farm buildings and they look very nice.

Walter McCulloch has been taking treatments at the Calgary Clinic and will soon enter a Calgary hospital for a throat operation.

The frost on Saturday night blackened gardens and damaged late grain.

The Calgary Power Co. surveyors are in the district surveying for rural electrification.

## LITTLE ITEMS OF LOCAL INTEREST

—St. Anthony's Alter Society will hold a home cooking sale at the Red & White store on Saturday afternoon, August 20.

The service of Holy Communion will be held at St. Cyprrian's, Didsbury, at 11 a.m. on Sunday, August 21st. Farewell service of the Rev. F. C. Musson.

The Rev. F.C. Musson has been appointed by the Bishop of Calgary to the Rectory of Pincher Creek, and will begin his duties there on Sunday, September 4th.

—Don't forget the big dance at the Mountain View Hall on Friday, August 26. Sunnyslope orchestra, 2

Mrs. H. Miller and son of Deep Cove, B.C., has been visiting with her mother, Mrs. Barnard, and other relatives at Elkton, and in Saskatchewan for the past month.

Mr. and Mrs. Harry J. Steckley were renewing acquaintances recently in the Didsbury, Cremona and Carstairs districts. They now reside in Edmonton where Mr. Steckley is employed as branch manager of Gas & Oil Products Ltd.

Mr. and Mrs. Glenn Levagood of Camrose visited recently in the district with relatives and friends.

Mr. Jake Penner, who has been in the Holy Cross hospital for almost three weeks, returned home last week and it is reported that he is progressing favorably after his operation.

Mrs. R. Dube and son, accompanied by her parents and Darwin visited with relatives at Harman, on Sunday prior to leaving Sunday night for her new home at De Winton.

Mrs. W. Reiffenstein went to Red Deer on Thursday and brought back Mrs. Dube and baby son.

Mr. and Mrs. W.K. Haderer, Dolores, Keith and Jeanette returned last Tuesday from a three week motor trip through Montana, Wyoming, North and South Dakota, and parts of Iowa and Minnesota. While they had a good trip, Mrs. Haderer says at times temperatures reached 112 degrees, which was too hot for comfort.

Mr. and Mrs. Ben Reiffenstein and family of Standard visited at the homes of the former's brothers, Walter and Fred of Didsbury, on Saturday.

A special meeting is called of all who are interested in the A.O. T.S. Men's Club in Knox Church schoolroom on Tuesday, August 23, at 8 p.m. to deal with some urgent matters.

Mrs. A. J. Wright and son Blake left Monday to visit in Calgary for a couple of days before returning to their home at Vernon, B.C. Mrs. Rouleau accompanied her sister to Calgary, returning home Tuesday evening.

Mr. and Mrs. Will Sherry and Susan left last Thursday on a holiday part of which was spent at Acme and Carbon.

Mr. and Mrs. C.A. Cunningham of Cardston visited at the home of the former's parents, Mr. and Mrs. J.R. Cunningham and Donna Shannon accompanied them to Edmonton for the week end.

Miss Donna Shannon is holidaying this month with her grand parents, Mr. and Mrs. J.R. Cunningham.

Miss Mary Jane Nicholson of Swift Current, Sask., is visiting in town with Mr. and Mrs. Fred Evans and last week they all motored to Banff for a few days, returning on Sunday.

Mr. and Mrs. Eldon Hunt and family leave Thursday on a two weeks holiday which they will spend on a motor trip through Glacier Park and Montana, returning by way of Banff and Jasper.

Rev. C. J. Hallman of James River Bridge was a Didsbury visitor on Monday.

Mr. and Mrs. Bob Stevens left Wednesday for a trip to Washington and the Okanagan valley.

The Eby party returned Saturday from a trip to the States. A. Eby will work in Calgary for a few days.

Mrs. Louis Herman left Friday for her home at Amesitz, B.C. after visiting for a few days with Mr. and Mrs. J. V. Berscht.

J. V. Berscht was a business visitor at Innisfail on Tuesday.

E. T. Wiggins of Didsbury, past president of the Alberta Teachers' Association, was elected vice-president of the Canadian Teachers' Federation at the annual meeting held recently at Ottawa.

Born to Mr. and Mrs. Roger Dube (nee Iona Reiffenstein) at Red Deer on Wednesday, August 3, a boy, Walter Robert.

Miss Gwen Bowring of Vancouver is visiting friends in Didsbury and will hold Vacation Bible school at Bergen for a term.

Mr. Martin, who died suddenly last Saturday, will be taken to Ontario for burial.

Darwin Reiffenstein spent the weekend with his parents, Mr. and Mrs. W. Reiffenstein. They all motored to Red Deer on Sunday to visit Mrs. Dube and wee son.

Ken McCoy, Irvin Klein, George McDonald, Garnet Tighe, Russell Fulkner and Ed Rouleau represented the Didsbury Fish and Game Association at a meeting held in Innisfail last Thursday night to discuss the formation of a permanent fish and game association to handle the annual picnic. Slim Goodbun represented the Oids Association and he was elected to the board of directors, along with Irvin Klein and E. Rouleau.

## WESTCOTT ITEMS

Mr. and Mrs. A. Stabenau and son, who have been visiting here with relatives, left last week for their home at Portland, Oregon. A number of Westcott folks took in the Oids Fair on Saturday.

The Waterloo men's softball team defeated the Westcott team at Waterloo by a score of 13-12. Mr. Allen Konschuh had the misfortune to break a bone in his foot while playing ball at Waterloo last Thursday evening. Roy Luft is also walking around with a bad foot and we understand he has strained ligaments. This also happened while playing ball.

Mr. and Mrs. Herbert Goetjen and family spent Sunday in Calgary. Clara Schmiedmiller accompanied the Goetjen family to the city and the girls, Marjorie and Clara, played ball in Calgary in the afternoon against the Ooids, losing 11-10. A return game is slated for Saturday evening in Didsbury.

## GUERNSEY BREEDERS MEETING AT J.R. STEVENS &amp; SON FARM

A meeting of the Guernsey Breeders of Alberta will be held at the J.R. Stevens & Son farm on Tuesday, August 23, at 1:30 p.m. Mr. H.W. Roper, an official classifier of Guernseys, and Dr. A. R. Campbell, Canadian secretary, will also be present and would like to discuss the work of the Canadian Association and the problems of the breed in general. Everybody is welcome to attend.

## "A" SQUADRON KOCR 14AR (RCAC)

Parade at Lions Hall on Monday, August 22, at 2000 hours.  
Dress—Battle dress, berets, boots, puttees and black belts.  
All ranks are requested to attend this parade.  
SGT. ROULEAU, J.E.

## MAY HAVE FALL AND WINTER DRAWING &amp; PAINTING COURSE

A fall and winter course in drawing and painting is to be offered in Didsbury in connection with the Extension Department of the University of Alberta. The local supervisor is Mrs. A.W. Reiber, A.S.A., and if anyone is interested they are asked to write in care of Box 162, Didsbury before Sept. 4th.

The United States Government has announced that after June 30 more of the grain export trade will be returned to private dealers. After that date foreign purchasers will have a chance of buying all whole grains, with the exception of wheat, either through the Commodity Credit Corporation, or through private channels. Private traders will probably receive a large share of the hundred million bushels export trade expected next year.

BRITISH AUSTIN CAR BREAKS FORTY RECORDS

A British Austin "Atlantic" 16 horse power convertible stock model car recently broke over 40 international speed and endurance records at Indianapolis track, U.S.A., by averaging over 70 miles per hour for a week.
